We are now taking registrations for our 2010 spring sporting clays league. Starting Sunday, March 28 and running through Sunday May 30. We will shoot the league on Sunday's at 3:00pm; shooters will have the rest of the week to make up their targets. The cost is \$30.00 per week for 50 targets and lunch. We will payout three (3) dollars from every shooter for the blind draw high score team each week. An additional three (3) dollars from every shooter will go to total individual score payouts, for the end total score. Eight (8) weeks of shooting, counting the six (6) highest weeks.
